This Memorandum of Understanding [MoU], hereinafter referred to as the Memorandum, entered in this **30th May, 2024** between: -

The Airports Authority of India, a body corporate and constituted by the Central Government under the Airports Authority of India Act (Act 55 of 1994) having its Corporate Office at New Delhi, represented by General Manager (HR) - Training Girish Kumar, hereinafter referred to as the **"First Party"**,

AND

Hindusthan College of Engineering and Technology, Coimbatore having its office at **Valley Campus, Pollachi Highway, Coimbatore – 641032**, represented by the Principal Dr. Jaya J, hereinafter referred to as the **"Second Party"**.

WHEREAS, the aforementioned parties desire to enter into the herein described Memorandum through which they shall work together to accomplish the **"Aim"** of the **"Internship Program"**, as set forth.

[A] AIM:

To create interest in Civil Aviation among students by:

- Supplementing theoretical knowledge with practical operations / working
- Giving exposure to students in STEM (Science, Technology, Engineering and Mathematics) / non-STEM domains
- Giving opportunity to work on small-duration projects related to Civil Aviation

[B] INTERNSHIP PROGRAM:

Shall refer to the working arrangement between both the parties, as agreed, i.e.:

i. Being part of project implementation at Airport (Observe implementation & Learn)
ii. 2-5 days Familiarization (Visits / Workshops)
iii. 4-20 weeks Internship

[C] APPLICABILITY:

The educational institutions in the vicinity of AAI Airports (25-40 km radius), can sign the MoU for their students undergoing Graduation / Post-Graduation / Professional degree courses.

[D] DURATION OF MoU:

The term of this Memorandum shall be for a period of 5 years from the date of its signing, and may be extended upon written mutual consent by both the Parties on the same terms & conditions or as agreed upon at that point of time.

[E] SCOPE OF COOPERATION:

Through this Memorandum, both the Parties affirm the value of industry-academia collaboration and agree to promote the Internship Program as detailed in Annexure-I.

[F] FINANCIAL SUPPORT:

i. No stipend or any remuneration would be paid to a participating student or University / College / Institute for any Program.
ii. Wherever feasible, necessary arrangements of transportation from college to airport and back during workshops / visits may be made by AAI, wherever the number of students is more than 20 and where the Second Party doesn't have its own transport facility.
iii. Wherever feasible, arrangement of working lunch and provision of literature and books shall be made for students by AAI.

[G] ROLES AND RESPONSIBILITIES OF THE PARTIES:

The Parties to this MoU have mutually acknowledged and agreed to the following:

i. To work together in a cooperative and coordinated manner to fulfil the objective of this Memorandum.
ii. The Second Party shall ensure that students abide by the rules & regulations of AAI, and SOP / instructions as detailed in Annexure-II.
iii. The Parties to this MoU have the right to individually or mutually terminate their participation in this Memorandum.
iv. The data / information collected by the students of Second Party would be for sole academic purpose and mutual benefit. No data or information to be shared with third party without the explicit written consent of the First Party.
v. Any dispute that arises in connection with this MoU shall be settled amicably between the parties. The decision of AAI Management shall be final and binding on both the parties.
vi. Internship Program is neither an employment opportunity with AAI, nor an aid in securing employment in AAI.
vii. AAI has absolute unfettered right to restrict the program in any manner, either to institutions or to numbers of participants or in any other manner.
viii. This MoU does not create any right to students of the institutions or to institutions. This effort of AAI is purely voluntary.

This Memorandum has come into force on the **30th May, 2024** as mentioned above.

ANNEXURE-II

SOP for Live Demonstrations / Familiarization / Internship, covering Airport / ATC centre entry, safety and operational aspects

For entry into any restricted area of Airport (eg. Terminal Building, Cargo Terminal, Operational Area, ATC Building / ATC Tower / Hangers etc.), all interns will require Temporary Airport Entry Permit (AEP). Requirement of documents will depend on the duration for which AEP is required, which is as below:

- **In case of Temporary AEP for maximum 30 days:**
  The educational institution signing MoU with AAI will nominate a Nodal person to collect the following documents required for issuance of AEP from students shortlisted for the Internship Program:
  - Filled AEP form
  - Aadhaar Card or any other Government issued valid photo id
  - Present address proof (if different from permanent)
  - Permanent address proof
  - Internship letter issued by AAI
  - Recommendation letter of concerned educational institution
- **In case of Permanent AEP (Biometric AEP) for more than 30 days:**
  - Biometric AEP for more than 30 days will take approx. 25-30 days. Pre-requisite to permanent AEP are 1-day AvSec Awareness training and Police Verification
  - The concerned educational institution shall initiate the Police Verification of intern from concerned SP before the commencement of Internship. Police Verification may be exempted for interns who have Indian Passport issued within last 5 years
  - For initial first month, temporary AEP for 30 days shall be issued
  - Following documents will be required for Biometric AEP:
    a. Aadhaar Card
    b. Permanent and Present address proof (other than Aadhaar card i.e. Driving License, Passport, Voter id etc)
    c. Copy of Student's Institute ID
    d. Online 1-day AvSec Awareness training Certificate
    e. Internship letter issued by AAI
    f. Recommendation letter of concerned educational institution
- The educational institution shall ensure that the required documents are submitted well in advance before the commencement of the Internship program, in coordination with concerned department head of AAI at the Airport.
- It will be the responsibility of the educational institutions to ensure that all the students return back the AEPs to the concerned department Head after completion of the Internship program.

Vibrant

A) The Parties

HINDUSTHAN COLLEGE OF ENGINEERING AND TECHNOLOGY (hereinafter "HICET") and the VIBRANT NDT SERVICES PVT. LTD., (hereinafter "VNDTS") wishes to conclude this Memorandum of Understanding (hereinafter: "MoU") to facilitate the development of collaborations in the disciplines of Academic Support , Students and Faculty Training, Center of Excellence, Outreach activities and in other possible ways of knowledge sharing.

B) The Objective

1 The objective of this cooperation is to make the students industry ready and train the faculties in their respective research domain.

C) Areas of Collaboration

2 HICET and VNDTS agree to explore the possibility of engaging in the following areas of collaboration:

a. Academic Support
b. Students and Faculty Training
c. Research and Development
d. Lab Infrastructure Development
e. Consultancy Projects
f. Placement Activities

3 The development and implementation of specific activities based on this MoU will be further negotiated and agreed between both parties as applicable depending on the specific project. Each party agrees to carry out these activities in accordance with the rules and regulations of the respective countries and institutions.

4 It is understood that the implementation of any of the types of co-operation stated in Clause 2 shall depend upon the availability of resources and financial support of the parties concerned.

D) Coordination

5 HICET and VNDTS shall name a coordinating committee consisting of teaching/research staff and (a) Principal, HICET or his/her nominee, (b) CEO/MD, VNDTS or his/her nominee, (c) Coordinator from HICET and (d) Coordinator from VNDTS will periodically review and identify ways to strengthen cooperation between the two institutions.

E) Term and Termination

6. This MoU will take effect from the date it is signed by representatives of the two parties. It will remain valid for a period of three years, and may be continued thereafter after suitable review and agreement.

7. This MoU may, at any time during its period of validity, be terminated by one of the parties upon prior notice to the other in writing not later than six months before the termination date. Once terminated, neither HICET nor VNDTS will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, HICET and VNDTS will ensure that all activities in progress are allowed to complete successfully.

G) General

8. This MoU may only be amended or modified by a written agreement signed by the representatives of each party.

9. The parties may disclose certain confidential information to the other in relation to any future proposal made under this MoU. Nondisclosure agreements will be made for each such event between the individuals involved from both institutions.

a Should there be a dispute relating to any aspect of academic cooperation the Principal of HICET and CEO of VNDTS or his/her nominee will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility.

b This MoU is signed subject to approval by respective academic/administrative bodies.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MoU) is entered on this day, the 30th July 2021 between **Department of Chemical Engineering and Department of Agriculture Engineering, Hindusthan College of Engineering and Technology, Valley Campus, Pollachi High Way, Coimbatore, Tamil Nadu, India -641032** (here after referred to as "**HICET**") and **World Innovation Technologies, No:584/1, Vaduku Thottam, SNMV**

Collage Road, Malumachampatti (post), Coimbatore, Tamil Nadu, India – 641050 (here after referred to as "**WIT**").

1. The Spirit of this MoU is to synergize the various resources available with the **WIT** (viz, Technical and Managerial expertise in the areas of Electro Coagulation and, etc.,) and

   The **HICET** (viz, Theoretical Background, Research facilities, infrastructure facilities like testing, analytical labs, vast technical literature in the form of books, periodicals, journals, teaching and training facilities, etc) for mutual advantage.
2. The interaction between **WIT** and the **HICET** shall broadly include the following aspects:
   a. **WIT** will give hands on training and projects for the faculty and students in the areas of expertise available in HICET typically New Product Development, Electro Coagulation, Process Automation, Quality Control and Multiple Effect Evaporation etc.,.
   b. **HICET** will permit the faculty members assigned to meet the **WIT** executive and technical staff to discuss and to complete the projects as expected either in **HICET** or at the **WIT** premises for completing the projects.
   c. On requirement **WIT** will allow their technical experts to render guest lecture for the faculty and the students of the **HICET**.
   d. On requirement **HICET** will render technical guidance to the **WIT** staff members in the area of expertise available in the **HICET**.
   e. **WIT** ensuring Placement Assistance for the performing students from **HICET** to build confidence to serve the society in justification of completion of the course.
   f. Initially both the parties accept to start with the exchange of technical expertise on a "GOOD WILL BASIS".
   g. Steering committee member (**Principal, HICET**) of the institution and CEO of the **WIT** are empowered to expand as well as to include more members in the steering committee.
   h. Any other area of mutual interest.

26/7/2024

3. All the technical and other information and knowledge gained by both **HICET** and **WIT** (except those which are of general academic nature) will be kept confidential by both the parties and will not be divulged to a third party or published without mutual consent.
4. All the interaction between **WIT** and the **HICET** will (as indicated in clause 3) be carried out after mutual discussion and agreement.
5. Both **WIT** and the **HICET** will respect each other's rules, regulations, stipulations etc. and will fully abide by them during the association.
6. This MoU can be terminated by either of the parties by giving three months notice. During the notice period, the MoU will remain in vogue. At the latest, Five (5) years from the execution of the same, unless the Parties mutually agree in writing to extend same. This MOU shall come in force with effect from 30.07.2021 and will remain in force until terminated by either party by giving written notice to this effect. Thereby for a period of five years it shall be renewable with/without any changes of applicable terms and conditions on both sides.

IN WITNESS WHEREOF, THE PARTIES HAVE EXECUTED THIS MEMORANDUM OF UNDERSTANDING ON 30.07.2021 AT COIMBATORE.

COURSE OVERVIEW

The MATLAB course tailored for Chemical Engineering provides a comprehensive introduction to the software, focusing on its application in process modeling, simulation, and optimization. Students will learn to use MATLAB for solving chemical engineering problems such as reaction kinetics, mass and energy balances, and process control. The course covers data analysis, algorithm development, and visualization techniques, equipping students with the skills to analyze complex chemical processes and design efficient systems. Emphasis is placed on practical applications, enabling students to model real-world chemical engineering problems and develop solutions that enhance process efficiency and innovation in the industry.

COURSE OBJECTIVES

- To make the students program PLC module using ladder logic method through powerful software package and enhance the student knowledge on integrated industrial automation using PLC

COURSE CONTENT

Module No	Heading	Subheading	Hours
Module 1	**Introduction to MATLAB Programming**	• Basics of MATLAB programming • Array operations in MATLAB • Basic notations in MATLAB	7
Module 2	**MATLAB Components**	• Loops and execution control • Working with files: Scripts and Functions • Plotting and program output	7
Module 3	**Ordinary Differential Equations (ODE) in MATLAB**	• Introduction to ODEs • MATLAB ode45 algorithm in single variable • MATLAB ode45 algorithm in multiple variables	4
Module 4	**Simu Link Basics**	• Introduction to Simulink • Components of Simulink	4
Module 5	**Final Project**	• In this Module, you will do a project based on what you have learned so far, for example: - • Iso-Thermal Batch Reactor • Dynamic Simulation of Two tank Interacting system. • Simulation of Double pipe Heat Exchanger using Simulink.	8

This Memorandum of Understanding (hereinafter called MoU) is made on 17.03.2021

BETWEEN

ASSOCIATION OF CONSULTING CIVIL ENGINEERS (INDIA) – COIMBATORE CENTRE, TAMILNADU, hereinafter referred to as First Party, which expression shall include its administrators and permitted assigns

And

HINDUSTHAN COLLEGE OF ENGINEERING & TECHNOLOGY, COIMBATORE, TAMILNADU hereinafter referred to as Second Party, which expression shall include its administrators and permitted assigns

WHEREAS

The Second Party, an educational Institution with the objective of imparting quality education for Engineering students, intends to continue the same to benefit the society, and the Civil Engineering Department of the Second Party is committed **"To impart knowledge & training in Civil Engineering with global perspective & make the students Industry Ready".**

The First Party, within its objectives of disseminating knowledge and technologies and of continues endeavour to bridge the gap between the academia and the industry, has approached Second Party towards opening a Student Chapter at the premises of the Second Party and the Second Party has agreed to provide facilities for the same. The purpose of this MoU will be to recognise that the First Party and the Second Party, who are in the process of discussion, have agreed to collaborate in the sphere of their respective system of engineering technology and training.

1.0 It is envisaged that collaboration is extended to organise a Student Chapter of ACCE (I) of the students of civil engineering in the Institution by mutual consent.

2.0 This MoU establishes the framework for future co-operation, while specific initiatives, projects or opportunities arising from this MoU will be discussed, agreed and negotiated in the form of separate agreements.

3.0 During operation of this MoU, both parties may nominate their respective faculties or engineers of their organisations from time to time to develop initiatives under this MoU.

4.0 Now the parties wish to enter into this Memorandum of Understanding (MoU) in order to customise their roles and the other terms and conditions in writing as hereafter set forth and therefore agree as under;

7.0 DISPUTE RESOLUTION

7.1 It is understood that this MoU has no legal binding and cannot be construed as placing any legal requirements on either party, and both parties waive such legal obligation of each other under this MoU.

7.2 Notwithstanding the non-binding nature of this MoU, the Parties will act in good faith and will use their best endeavours to achieve the Purpose of this MoU

7.3 But in the event of disputes, controversies, differences of opinion and claims arising out of or in connection with this MoU for in any way relating hereto or any term, condition or provision herein mentioned or the research or otherwise in relation hereto, the parties shall first endeavour to settle such differences, disputes, claims or questions by friendly consultation and failing such settlement, the same shall be referred to Chairman of First Party and Principal of the Second Party, for resolving specific issues. Such arbitration shall be held in accordance with the Arbitration and Conciliation act, 1996 or any statutory modification or re-enactment thereof for the time being in force and be held in the city of the First Party and is to be conducted in the English language. The award pronounced jointly by the Chairman of First Party and Principal of the Second Party shall be final and binding on the parties.

7.4 The parties to the proceeding of arbitration shall bear their own cost.

7.5 The term of this agreement shall come into force on the date of signing and shall remain valid for a period of three years, unless either party advises the other of its desire to terminate it earlier. This MoU will be reviewed after 36 (thirty six) months and the same can be extended for a further period of three years or more as may be mutually agreed.

Whereas Hindusthan College of Engineering & Technology, Coimbatore is one of the reputed Autonomous Engineering Institutions approved by AICTE, New Delhi, affiliated to Anna University, Chennai and accredited by NAAC with 'A' Grade. The institution is imparting quality education through its Undergraduate, Post-Graduate and Ph.D. programmes with emphasis on research, sustainable technologies, and entrepreneurship for societal symbiosis. Herein after, the institution is referred as *First party.*

Whereas Construction Management Training Institute (CMTI), Bangalore is a professional organization working towards the development of Construction professionals by structured training programs on Construction Management Courses, Green Buildings, Digital Construction (Drones / IoT, Automation), Building Services & Interior Design, and Structured Internships helps the students to build their career. To enable students industry-ready, CMTI is associated with the leading engineering colleges, Government professionals and Corporates for Industrial training & field training. *(Registration Number – U74999KA2020PTC142113; GST Number -29AAJCC1709L1ZE; TAN Number – BLRC20914F).* Herein after referred as *Second Party.*

The MoU is being signed with Construction Management Training Institute (CMTI) as a partner to facilitate internships for students of our Institution which is an AICTE approved academic institution.

Purpose: As both the parties believe that their mutual cooperation and collaboration will help in effective use of each of their resources, provide them with enhanced opportunities and also enhance the employability skills of the students through internships, this MoU has been initiated.

As part of this MoU, both the parties hereto agree to the following respectively:

A. HINDUSTHAN COLLEGE OF ENGINEERING & TECHNOLOGY (HICET)

1. Will acknowledge Construction Management Training Institute (CMTI) as internship partner in all its external communications and publicize the same through proper social media platforms.
2. Will identify one faculty internship coordinator as the contact person who shall ensure that the students:

S.G.

- Work on projects as directed by staff of the Construction Management Training Institute (CMTI)
- Report to the internship supervisor as designated by the Construction Management Training Institute (CMTI) at times as directed by him/her.
- Follow the administrative policies of the Construction Management Training Institute (CMTI), including confidentiality policies, personnel practices, and business protocols.
- Abide by the Code of Conduct relating to professional behavior.

3. Will be solely responsible for, and have full discretion, in assessing and grading Students in internship Course.
4. Student is responsible for his/her own personal transportation and living arrangements.

B. CONSTRUCTION MANAGEMENT & TRAINING INSTITUTE (CMTI)

1. Will make all the necessary resources (internships, free applications, counselling, and guidance) available to students registered through this partnership.
2. Will host the students and provide a planned, supervised internship program to the assigned students.
3. Will maintain a safe, positive, and respectful learning environment for students.
4. Will create success stories of the students completing internships successfully. Circulate these stories among other students through offline & online media and appoint successful candidates as internship ambassadors to help & guide their peers.
5. Will allow the internal guide (from HICET) of the student under internship to visit and assess the student's performance, along with their external supervisor from Construction Management Training Institute (CMTI).
6. Agrees to collaborate to develop software/hardware/innovative projects, proposals, papers, patents, copyrights and trademarks, with further mutual discussions and agreement (need basis).

Relationship of the parties:

1. There are no financial implications involved between HICET and CMTI as part of this MoU.
2. Nothing in this MoU shall create an employment relationship, agency relationship, joint venture, partnership agreement between HICET and CMTI.

S.G.

3. HICET shall not be liable for any cost, loss, damages, liability, or expense, which may arise out of Student's performance of services at CMTI.
4. This MoU may be terminated by either of the parties by giving a written notice of 30 days.
5. This MoU may not be amended except by a written agreement of the parties.

Tenure:

This Memorandum of Understanding is valid for five years, effective from the date that its signing is concluded by representatives of HICET and CMTI.

In witness whereof, the parties hereto have caused this Memorandum of Understanding to be executed by their representatives in duplicate, each party retaining one copy thereof respectively.

MEMORANDUM OF AGREEMENT
BETWEEN

HINDUSTHAN COLLEGE OF ENGINEERING AND TECHNOLOGY, COIMBATORE, INDIA
&
HINDUSTHAN INSTITUTE OF TECHNOLOGY COIMBATORE, INDIA

AND

ASIA PACIFIC UNIVERSITY OF TECHNOLOGY & INNOVATION, KUALA LUMPUR, MALAYSIA

December 2020

MEMORANDUM OF AGREEMENT BETWEEN

HINDUSTHAN COLLEGE OF ENGINEERING AND TECHNOLOGY COIMBATORE, INDIA
&
HINDUSTHAN INSTITUTE OF TECHNOLOGY COIMBATORE, INDIA

AND

ASIA PACIFIC UNIVERSITY OF TECHNOLOGY & INNOVATION KUALA LUMPUR, MALAYSIA

This Memorandum of Agreement is made on December 7, 2020.

This Memorandum of Agreement is made between

1. **HINDUSTHAN COLLEGE OF ENGINEERING AND TECHNOLOGY**
   Valley Campus, Pollachi Highway, Coimbatore, India &
   HINDUSTHAN INSTITUTE OF TECHNOLOGY
   Valley Campus, Pollachi Highway, Coimbatore, India

   Established and run by Hindusthan Educational and Charitable Trust, Nava India, Coimbatore, India

2. **ASIA PACIFIC UNIVERSITY OF TECHNOLOGY & INNOVATION,**
   Technology Park Malaysia, Bukit Jalil, Kuala Lumpur, Malaysia

1. OBJECTIVES OF THE MOA:

This Memorandum of Agreement (hereinafter referred to as the 'MOA') intends to set out the general principles of mutual cooperation in the field of education, training and research, according to which the parties may jointly identify areas of mutual interest and carry out cooperative activities on the basis of reciprocity and mutual benefit.

The goal of this cooperation is to foster academic collaboration, providing opportunity for global experience, and to facilitate advancement of knowledge and interactions.

This MOA will be carried out within the framework of the respective laws and regulations of the two countries and is not intended to create any legally binding rights or obligations.

2. ACADEMIC COLLABORATION

This MOA provides opportunities for the establishment of twinning and joint degree programmes at both the undergraduate, post-graduate and research levels. Both parties agree to encourage the following activities in particular to promote International academic collaboration.

- Inbound International Mobility Programme
- Exchange of students for a Course / Semester / Programme / Training / Research
- Joint Degree / Twinning Programmes
- Exchange of Faculty Members
- Exchange of materials in education, research and development, publications and academic information
- Combined Research
- Organizing Seminars / Conferences / Workshops
- Technical assistance
- Publications of Journals and Books
- The promotion of other academic activities

3. IMPLEMENTATION

Within fields that are mutually acceptable, the following general forms of cooperation will be pursued:

Both parties agree that all expenses, including research materials, tuition fees, international and domestic travel, per diem, honorarium and all other costs shall be the responsibility of the sending institution or the visiting faculty or enrolling students. However, the host university is encouraged to seek ways to help visiting faculty and students in a possible way.

The terms and management of intellectual property, inventions and innovations will be negotiated on a project-by-project basis in the specific project agreements and programmes of cooperation.

The terms of cooperation for other specific activities contemplated under this MOA shall be mutually discussed and agreed upon in writing by both parties prior to the initiation of that activity.

Any such activities agreed upon will be recorded and governed by a separate document executed by both parties. Activities to be organized under this agreement will be the responsibility of the Heads of both institutions or of persons designated by them. National regulations and customs shall be mutually respected. This MOA imposes no financial obligations on either party. Both institutions understand that all financial arrangements will have to be negotiated and will depend on the availability of funds.

4. Effective Date and Duration

This general agreement shall become effective from the date of signatures of both parties. The agreement may be amended by the written consent of the parties.

This MOA is valid for **ten years** following the date of signing, unless either party gives the other six months written notice of its desire to either terminate or to revise this Memorandum.

The agreement may be extended additional **five years** period upon the written consent of both the parties. If the agreement is not renewed by mutual consent, the Agreement will conclude at the end of the specified time period, or activities in progress have concluded.

5. Responsibility for this Memorandum of Agreement

Each party shall designate a person or office to serve as liaison for implementing this Agreement.

Annexure 1

1. Students under the student exchange programme will be classified as special exchange students. Special exchange students will be permitted to take courses on credit / audit, as well as participate in research activities / project work.

2. In any case, the consent of the teacher / project supervisors / research supervisors is required. Such consent will take into account among other things whether the student has pre-requisites for the course / project.

3. The Host Institution of students enrolled in this exchange program shall not levy tuition fees. Home Institution may continue to levy fees as applicable.

4. Course credits and grades earned will be determined by the home institution based on the grade report from the host institution.

5. Each institution will accept up to 50 students each year.

6. Participants may not spend more than one year normally in the exchange programme.

7. Participants will be subjected to the rules and regulations of the host institution, in addition to specific rules and regulations, if any, of the host country regarding foreign students studying in the host country.

8. Joint Supervisor in Ethiopia will be approved by Hindusthan Educational Institutions for those candidates with good Publication records.

Selection and Nomination

The selection and nomination of students is open throughout the academic year. The student nomination should be accompanied by:

- Curriculum vitae.
- Statement of aptitude from a member of the student's school / faculty.
- A specific outline of the programme of study at the host institution and a statement of objectives of the student.

When a nomination is forwarded by the home institution, it is presumed that the sending institution considers the student suitable for the proposed program and consents to send the student if selected by the host institution.

The host institution will evaluate the nomination and determine their suitability for selection under the Student Exchange Program.

Where the exchange student is pursuing a research or implementation project as part of the B.E., B.Tech, M.E., M.Tech, B.A., B.Sc., BBA, BCom, M.A., M.Sc., MCom, MCA, MBA, or PhD (or equivalent) degree programme, the host institution will provide a suitable faculty member to jointly assist (along with the supervisor in the parent institution) the exchange student in formulating research project or jointly supervising the exchange student in the event that a research project has already been identified.

The host institution will inform the home institution of any academic or other problems that may arise during the period of student's residence in the host institution. The host institution will take appropriate action under its established policy and procedures, in consultation with the home institution to deal with such problems.

Annexure 2

- Proposals for collaborative research work under this Memorandum will be submitted with the prior approval of the Head of each institution, or his / her nominee.
- Each institution will nominate one of its members as its representative in charge of the cooperative program. Individual programs of work under this Memorandum will be jointly planned and conducted by the nominees of both parties.
- Progress of work of any individual program will be reviewed and approved by designated authorities of both parties.
- The final approval of any project will depend on the availability of guaranteed support funds.
- Neither Dambi Dollo University, Ministry of Education, Ethiopia nor Hindusthan Educational Institutions, Coimbatore, India will be held responsible for any liability to the other party, and neither party shall be required to purchase any insurance against loss or damage to any property due to activities to which this agreement relates.

Every collaboration will have its own agreement / contract which addresses issues such as IPR, funding pattern, disclosure of information etc.
