Points given by the students:

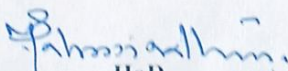

S. No	Subject	Comments
1.	21AU6201 & Total Quality Management	* 1.5 Units are completed * Softcopy received - Need hardcopy * Theoretical subject, students are interested because of lots of application oriented examples given by Dr. Sankarganesh Sir.
2.	21AU6202 & Vehicle Dynamics and Control Systems	* 1 Unit is completed * Students felt basics of vibration studied in IV semester is really helpful * Material will be given with question bank next week
3.	21AU6203 & Finite Element Analysis	* 1 Unit is completed * Material is given with question bank * Students feel the subject is tough, expected to take classes lit bit slowly. * Basic matrix algebra taught by Mujibur sir is very helpful to do the problems.
4.	21AU6304 & P.E - II (Additive Manufacturing)	* 1 Unit is completed * Easy to understand * Material is given with question bank, QR Code in material (Contains Video Content) - is very helpful to understand the concept. * Planned to give live demonstration of 3D Printer (FDM - IDEA Lab)
5.	21AU6251 & Automotive Vehicle Body and Aerodynamics	* 1 Unit is completed * Material is given with question bank * Students feel the subject is very easy * PPT's and Videos given by Krishna Sir, is very useful and gives more clarity to the subject contents.
6.	Honors Degree	The eligible students who have chosen honors degree are given syllabus and notes by respective staff members
7.	Open Elective	The student list with open elective (Chosen by them) & Classroom allocated for them is posted in group. All are asked to go the class on time and attend without fail.
8.	21AU6001 & Finite Element Analysis Lab	* Lab manual is given * 3 experiments are completed * Students has started record work
9.	21AU6002 & Internship Training / Implant Training	* Internship certificates are given * Received internship report template * Preparing PPT for presentation

**General Discussion:**

1. Need drinking water facility.
2. Students feel more uncomfortable due to heat at afternoon in the classroom.
3. Discussed about symposium, local industrial visit etc.

Points given by the students:

S. No	Subject	Comments
1.	21AU6201 & Total Quality Management	* 2.75 Units are completed * Material hard copy given for reference * Question Bank give * Assignment I is given and submitted by the students
2.	21AU6202 & Vehicle Dynamics and Control Systems	* 2.5 Units are completed * Soft copy given, material will be given within this week * Power point presentation is really helpful to understand the concept * Assignment I is given and submitted by the students
3.	21AU6203 & Finite Element Analysis	* 2.5 Units are completed * Students are advised to keep their class notes to study the subject. * Question Bank is given * Assignment I is given and submitted by the students
4.	21AU6304 & P.E – II (Additive Manufacturing)	* 3.25 Units are completed * Easy to understand * Materials with question bank is given * Animated Videos and PPTs are really helpful to understand the concept.
5.	21AU6251 & Automotive Vehicle Body and Aerodynamics	* 3 Units are completed * Material is given with question bank * Students feel the subject is very easy * Assignment I is given and submitted by the students
6.	Honors Degree	* Have written CIA I test last week, Students have prefer group study in the classroom
7.	Open Elective	* Soft copy of the materials is given * Assignment I is given * Question bank is given
8.	21AU6001 & Finite Element Analysis Lab	* Lab manual is given * 5 experiments are completed * Students are doing record work
9.	21AU6002 & Internship Training / Implant Training	* Internship certificates are collected * Internship report template is given * Model presentation is planned in next week

**General Discussion:**

1. Need drinking water facility.
2. Students feel more uncomfortable due to heat at afternoon in the classroom.
3. Students wants two days industrial visit, - Royal Enfield, Chennai is chosen may be at the end of March.
