The screenshot shows a Google Meet interface. The main window displays a presentation slide titled "Fundamental Duties (Article 51A - Part IV A)". The slide lists five duties with handwritten annotations in red ink:

- ▶ To abide by the Constitution and respect its ideals and institutions, the National Flag and the National Anthem;
- ▶ To cherish and follow the noble ideals which inspired our national struggle for freedom;
- ▶ To uphold and protect the sovereignty, unity and integrity of India;
- ▶ To defend the country and render national service when called upon to do so;
- ▶ To promote harmony and the spirit of common brotherhood amongst all the people of India transcending religious, linguistic and regional or sectional diversities; to renounce practices derogatory to the dignity of women;

ABOUT THE COLLEGE

Hindusthan College of Engineering and Technology (An Autonomous Institution) - Accredited with 'A' Grade by NAAC, was started in the year 2000. It is located in a valley campus of 100 acres of land in Chakkalmandapam village, situated along the Coimbatore-Spellochi highway around 10 kilometers from Coimbatore city. The institution is achieving the new heights under the leadership of Sri. T.S.R. Kannaiyann, Chairman/ HICET. Over the years, this college has blossomed into a great center of Higher Technical Learning by offering 15 Under Graduate and 7 Post Graduate programmes, along with part time and full time research programmes in Engineering. Out of 18 UG programmes 5 of them are accredited by NBA. It also offers MBA and MCA programmes. The college prepares the young to serve as technologists and leaders in industry, government and educational organizations with a zeal for serving the society.

ABOUT THE DEPARTMENT

The Department of Electrical and Electronics Engineering was started in the year 2002. The department is accredited by NBA, New Delhi and has been recognized as a Research Center by Anna University Chennai. In addition to that the department offers PG programme in Embedded systems. The department has well equipped laboratories with latest simulation software's and eminent faculty with high academic experience.

ABOUT THE FDP

Through this FDP gain knowledge resulted in an enriched understanding of electric vehicle technology and their role in sustainable practices. Participants gained insights into current research opportunities, fostering collaboration and interdisciplinary approaches. The program equipped faculty members to integrate cutting-edge knowledge into their teaching, addressing challenges and contributing to sustainable transportation education. With a focus on policy, regulation, and practical applications, the FDP aimed to empower educators to influence positive change in the realm of green mobility. Ultimately, the FDP played a pivotal role in shaping a cadre of educators ready to drive impactful research and teaching in the field.

Eligibility
The programme is open to Faculty Members, Research scholars, and Postgraduate students from Universities/ AICTE approved institutions.

Registration Fee: Nil

Number of Participants
The number of participants is limited to 40.

Last Date for Registration
Last date for registration: December 01, 2023.
Commencement of participation: December 01, 2023

Certificate
Certificates will be awarded to the eligible participants with minimum 90% attendance

Report for 5 Day National Level Faculty Development Programme on organized / participated

Name of the Faculty : Dr Ananthamoorthy N P, Convenor, Head/ EEE Prof. Muthuram G , Associate Professor/EEE	
Department : EEE	Designation :
Name of the Event : 5 Day National Level Faculty Development Programme "Exploring Teaching Strategies & Research Scope in Renewable Energy Sectors"	
Level : National / State / Regional / University / College	
Mapping with UN SDGs (Tick the relevant) : Affordable and clean energy (SDG 7)	
Venue / Mode : HYBRID	
No. of Days : 05 Day	Dates : 02nd January 2024 to 06th January 2024
Funded by : Management	
No. of Participants : External : 133 Internal : 23	Registration charges (if any) : NIL
Name and Designation of Resource Person(s) : Brochure Attached	
Outcome : Renewable Energy provides a viable alternative to non-renewable resources, such as fossil fuels while many are also environmentally friendly and produce little of no CO ₂ . It is healthier. Switching to clean sources of energy, such as wind and solar, thus helps address not only climate change but also air pollution and health. Renewable energy in the future is predicted that by 2024, solar capacity in the world will grow by 600 gigawatts (GW)	
Remarks and Feedback on the Event : Informative Sessions , Excellent Organisation & Interested to participate in upcoming FDP	
Plan of Implementing in HiCET (if any) :
