Overseas Student Health Cover

It is a condition of your student visa that you maintain Overseas Student Health Cover (OSHC) for the duration of your studies. OSHC needs to be arranged around the same time you accept your offer to study. The University can arrange OSHC on your behalf, or you can purchase OSHC from one of the following current Australian Government-approved providers:

- Australian Health Management
- BUPA Australia
- Medibank Private
- Allianz OSHC
- nib OSHC
- CBHS International Health

Further information on OSHC can be found at immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500#Eligibility.

The University has a preferred provider agreement with Allianz Global Assistance (OSHC) (**Allianz**), under which the University can arrange OSHC on your behalf. Under this agreement, the University receives a commission based on a percentage of the premium paid for a policy, and other benefits from Allianz, for facilitating OSHC for international students. The commission and other benefits will be used to support initiatives that improve the international student experience at the University.

If you elect to have the University arrange your OSHC on your behalf, you will be required to pay for your OSHC at the time of accepting your offer. You can find further information on arranging OSHC through the University at sydney.edu.au/study/finances-fees-costs/living-costs/health-insurance.

If you choose to obtain OSHC with another provider, you must provide evidence of your OSHC when applying for a student visa.

Please note that the OSHC amount quoted above is an indicative amount based on coverage of a single person under the University's preferred provider agreement with Allianz. This amount may change if you elect to amend the type of cover and a final quote will be calculated when you accept your offer.

Training and placements

Based on the current underlying Course structure, you will be required to undertake compulsory work-based training, placements, community-based learning or other training. Important information regarding these requirements can be found here: sydney.edu.au/students/course-required-placements.

You should be prepared to provide original documents or original certified copies of supporting documents upon request at any time.

Documents submitted in a language other than English must be accompanied by a complete English translation. The University accepts translations to English made by an accredited translator with a government body, the Registrar of the issuing institution or, for international applicants, registered University education Agents who are designated translators.

Please note that detailed checking of supporting documents is an inherent element of our admissions process and may involve contacting the original issuing authority, relevant tertiary admissions centre, organisation, or individual, as required, to verify documents. A failure to provide documents on request, or the discovery of either fraudulent documents or a misrepresentation of true circumstances in association with your application, may lead to the rejection of your application for admission, the withdrawal of your offer, or the cancellation of your enrolment.

Important information about fees

The tuition fee set out in this offer is indicative only. The exact tuition fee that you pay will depend on the calendar year in which you undertake your study in the Course.

Tuition fees

The tuition fee set out in this offer is based on a full-time student enrolment load of 48 credit points per year (1.0 Equivalent Full Time Study Load). If your study load is more or less than 1.0 EFTSL, your tuition fee will differ from the indicative fee set out in this offer.

Tuition fees are subject to annual review by the University and will increase each calendar year of your study, effective at the start of each calendar year.

The exact tuition fees that you will pay for your specific enrolment in any given semester (or research period) will be set out in your 'Student Financial Statement'. This Statement will be generated, and available within 24 hours in your Sydney Student portal, once you have submitted your enrolment selections prior to the relevant University census date.

Please note that sanctions for unpaid student debts apply and are set out in the '*Student Debtor Sanctions Policy 2014*' (as may be amended or replaced from time to time) which can be found at: sydney.edu.au/policies.

Student Services and Amenities Fee (not included in the tuition fees above)

The Student Services and Amenities fee (**SSA Fee**) was introduced by the Australian Government to increase student support and facilities at Australian universities. Please note that the SSA Fee listed in this offer is indicative of the year stated, and based on a full-time student enrolment load of 48 credit points per year (1.0 Equivalent Full Time Study Load). You will be required to pay a SSA Fee each semester for your study in a course. The SSA Fee is subject to annual review by the University, and will increase each year of your period of study (subject to a Government specified cap on indexation), effective at the start of each calendar year. For further information about the SSA Fee, due dates for payment, and payment deferral for eligible students, please consult the University's webpage at: sydney.edu.au/students/ssaf.

Additional Expenses

Please note that for some courses there are additional expenses in addition to the course fee. Some of these additional costs are significant, for example, course-specific materials, tools, protective clothing and equipment. Please consult the University's web page for more information: sydney.edu.au/students/materials-equipment.

Method of Payment

There are a number of ways that you can pay the fees that apply to your study. Be aware, a surcharge will apply for payments made using a debit or credit card. Find a list of the applicable card payment fees on our [website](#). The surcharge is subject to review and may change. Information about payment methods can be found on our website sydney.edu.au/students/paying-fees

Recognition of Prior Learning

Your previous studies may allow you to reduce the length of your studies in this Course, depending on their relevance. The University's policies are available at the Policy Register at: sydney.edu.au/policies. You should consult with the [Student Centre](#) for more specific information about your eligibility and apply for credit via your Student Portal.

Further important information for enrolment at Otto-von-Guericke-University Magdeburg

A good start at the beginning of the semester will enable you to study successfully. Based on our experience with online enrolment and problems with visa applications in recent semesters, we would like to show you the following options:

1. Enrolment and timely entry/late entry

If all required documents are complete and on time, you can be enrolled as a student at the university. Please note the following principles:

- As of the date of enrolment in Germany, German health insurance is mandatory for all students. Information on health insurance in Germany can be found [here](#). Please note that you will incur costs for health insurance contributions if you arrive late, even if you are still outside Germany.
- Arrival at the beginning of the semester, but no later than 31 October 2023, is strongly recommended, as online study is not possible. You can find out whether individual online courses are offered from your study counselling service at your faculty.
- A leave of absence due to late entry is not possible and the semester of enrolment counts as a full semester within the study period. Therefore, make an appointment in time to apply for a visa at the German Embassy in your country of origin.

or

2. Postpone your admission because of the time-consuming process of obtaining a visa

If it is not possible to enter Germany in time, you can postpone your admission and thus your enrolment to a later semester*. The following applies:

- A postponement can be made informally for a maximum of one year by sending an e-mail to enrolment@ovgu.de. Please state your name, your applicant number and briefly tell us when you will be entering. Please note the start date of your chosen degree programme!

Postpone in	notification until	New admission at the earliest
Summer semester 2024	30 November 2023	from November 2023
Winter semester 2024/25	31 May 2024	from May 2024

If you do not meet the deadlines, you will have to apply again via uni-assist.

If you have any further questions, please contact enrolment@ovgu.de.

*This is not possible for restricted study programmes. Applicants have to take part in the ranking again.

You should use this ID in any future communications with the university in order to help our teams assist you.

Please contact our enquiries team at greenwich@enquiries.uk.com for assistance with any queries about your application to study with us, or talk to your agent.

Accept your offer by paying your deposit

To confirm your acceptance, you must pay your pre-registration deposit within 14 days of receiving your offer. If you are being sponsored by a third party, such as your government or employer, a deposit payment is not required, but you must provide proof of sponsorship within the same 14 day period. Requirements for proof of sponsorship can be found [here](#). If you do not accept your offer within 14 days, then we can no longer guarantee your place, and your course may close if it becomes full. For students domiciled in certain countries, we require at least 50% of the funds to be paid pre CAS issuance, see the [How to pay your fees](#) page for further details.

Any deposit payments you make to us are subject to our Charging and Refund policies. Regulations on Financial Matters policy. This and all other university policies regarding payment of tuition fees can be found at [this link](#).

Visa information

As an international student, you may require a visa to study with us. It is your responsibility to ensure that you are in possession of a valid visa for studying at the University.

Most students will obtain a visa by applying for a Student visa from the UK Government. In order to apply for this visa, you will require a Confirmation of Acceptance for Study (CAS) number issued by the University of Greenwich. The University will begin the CAS issuance process once you have paid the £3,000 pre-registration deposit, or have provided proof of sufficient financial sponsorship. You must also complete other pre-CAS issuance checks. More information on the visa requirements can be found [here](#). If you are unsure whether you require a Student visa, please email us at casrequests@gre.ac.uk.

Further guidance on visas and immigration can be found on the [UK Government website](#). For independent advice, you can refer to [UKCISA Guidance](#).

Where either of these eventualities occur, you or your nominated representative will be contacted straight away to explore the options that are available.

[Further details on this are available in the Admissions Policy.](#)
